Notice of document removal for: <https://glenwing.github.io/docs/HDMI-2.0.pdf>

The **HDMI Specification Version 2.0** document previously hosted here has been removed due to a [DMCA notice](#) filed by HDMI Licensing on May 6, 2019.

This notice (that you are reading right now) has been uploaded in place of the previously hosted standards document, with the same name ("HDMI-2.0.pdf") so that any links to the document posted in the past will see this message rather than a frustrating 404 error. Apologies for any inconvenience.

If you want to reference this document, I would suggest not wasting your time checking, for example, websites that archive old versions of a URL, because there is definitely no possibility that this link was previously archived by such a website.
